

# BROAD CREEK BRIDGE REHABILITATION

## LOCATION

Virginia Beach Boulevard, Broad Creek Bridge over the Elizabeth River

## PROJECT INFORMATION

The City of Norfolk is rehabilitating the Virginia Beach Boulevard over Broad Creek bridge. The project will include removing a portion of the bridge, sidewalk, and railing. A new section of bridge and sidewalk will be recast in concrete and a new railing system installed. A sealant will be applied to the concrete.

## SCOPE OF WORK

- Remove a portion of the bridge, sidewalk and railing
- Recast new section of bridge and sidewalk with concrete
- New railing system installed
- Sealant applied to concrete

## PROJECT STATUS:

Under Construction

## PROJECT SCHEDULE

Start Date: November 12, 2024

Completion Date: Fall 2025

## PROJECT COST

\$1,412,000

## CONSTRUCTION/TRAFFIC IMPACTS

- The outside lane heading eastbound will be closed for approximately 5 months.
- The outside lane heading westbound will be closed for approximately 5 months.
- There will be several weeks where the outside two lanes will be closed while a crane is staged on the bridge.
