Vacant Building Registration Form

Section 11.1-16 of the City Code states that it shall be unlawful for any owner or owners of buildings or structures which have been vacant for a continuous period of twelve (12) months or more to fail to register on an annual basis the vacant buildings or structures with the Bureau of Property Maintenance. Such registration shall be on a form prescribed by the Bureau of Property Maintenance. The annual fee for such registration shall be one hundred dollars (\$100.00). Failure to register shall result in a two hundred dollar (\$200.00) civil penalty or in a four hundred dollar (\$400.00) civil penalty if the property is located in a conservation or rehabilitation district or in a designated blighted area. Upon re-occupancy, the owner shall notify the Bureau of Property Maintenance.

As such, if your building meets the above definition, you are required to complete this form and remit the required registration fee accordingly. Failure to do so will result in legal action against the subject property.

The City of Norfolk requests that the form be completed in its entirety to the greatest extent possible so as new program information becomes available, we will have current and appropriate means to contact the property owner(s) should the need arise.
