## Neighborhood Water and Sewer Utility Survey

**10/14/2025**

The City of Norfolk's Department of Utilities has hired CDM Smith and Accumark, Inc. to perform survey work related to existing water and sewer utility assets in the highlighted areas on the map on the back.

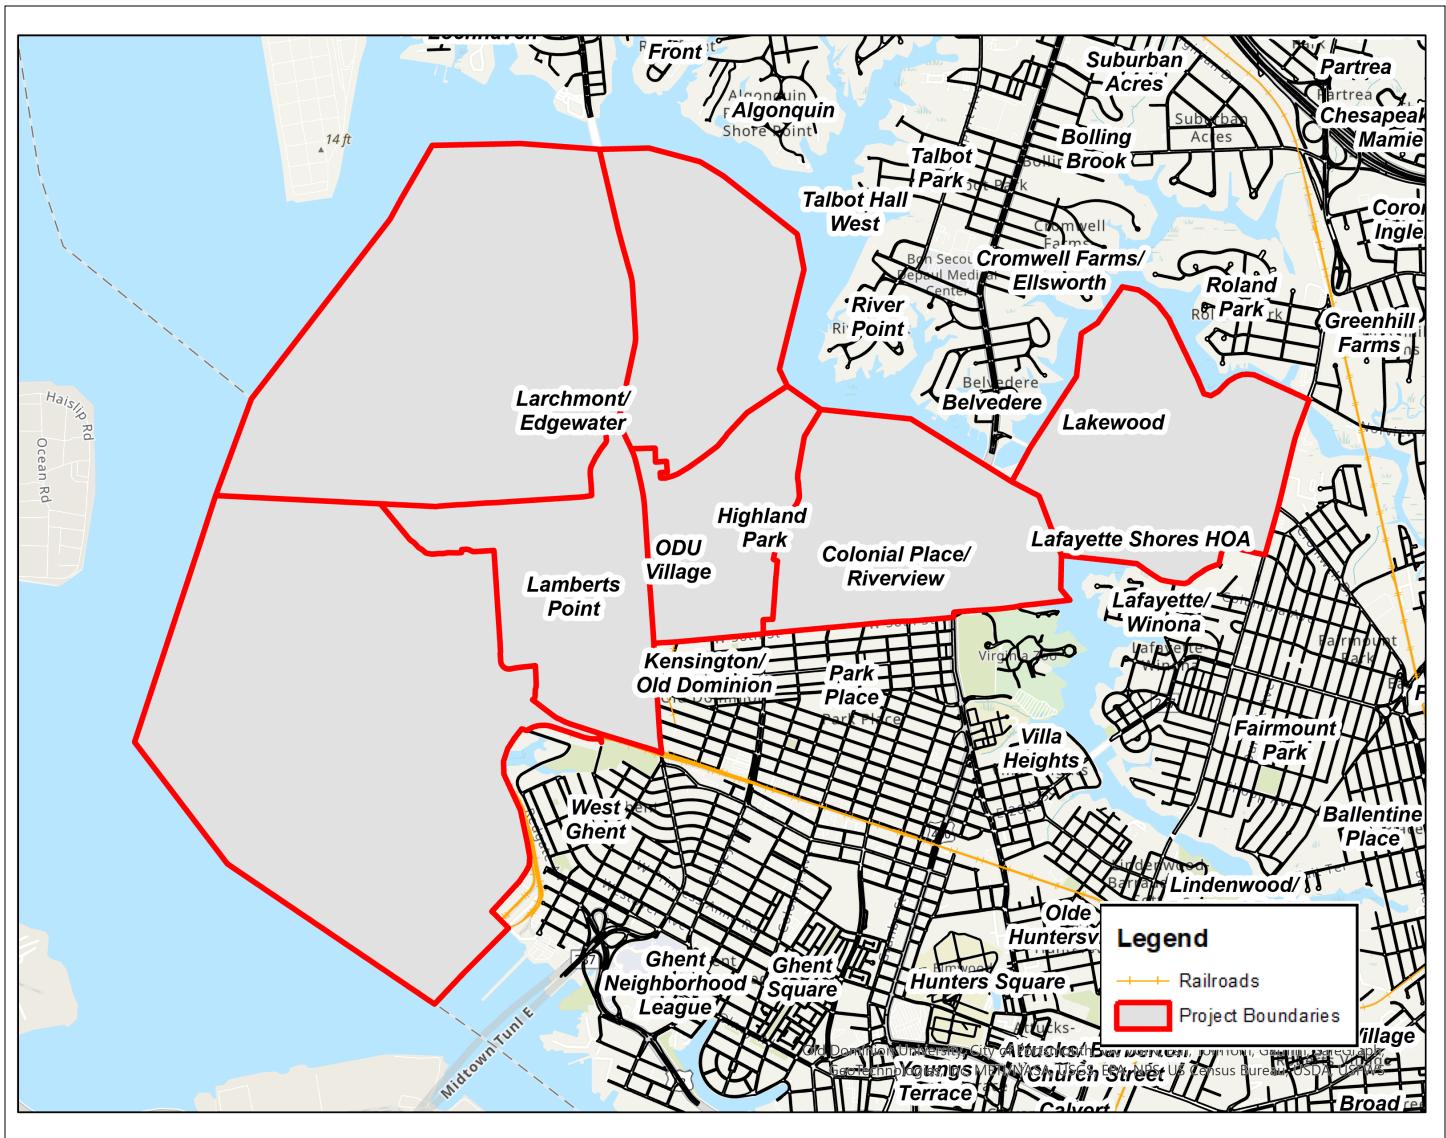

### Project Details:

- Survey crews will work in the project area over the next few months.
- They will have their company identification on them at all times.
- Crews may need access to your property adjacent to the public right-of-way (street) to identify property boundaries, easements and surface features.
- Crews may also need to temporarily place survey flags or paint markings identifying the location of the City's water and power utility assets.
- At no time will surveyors request to enter your home.

If at any time you have questions or concerns, please do not hesitate to contact the Field Manager, Shawn Bailes (757)-408-8115.
